WAR NEWS SUMMARY

When the whole world is waiting for news from the battle line, the French war office sends out a statement that as a result of the action, the German army has not yet moved. The fact that the German army has not yet moved, and that the French army has not yet moved, has been noted. It is held that the German army has not yet moved, and that the French army has not yet moved.

THE WAR SITUATION IN EUROPE. This map gives an excellent idea of the situation of all the troops engaged in the war. It will be noted that one Russian army entered Germany from Russian Poland. Near Posen is as far from Berlin as the German invading army is from Paris. This situation is likely what will decide the fate of Germany. As it will be seen, there are a few fields of operations on the part of the Russians.
